Jaki Granger serves with Mastermedia, a ministry that reaches out to the media industry and views the media "through the lens of Faith." Jaki has served with Mastermedia for many years and has remained with the ministry after a period of strategic change in the organization.

As always, Jaki prays that she will daily submit her life and her ministry to the Lord and this is something we can share in with her. And speaking of sharing, as a result of restructuring at Mastermedia, Jaki's annual funding needs have increased. So, let's please join Jaki in praying that she can raise the necessary funds to continue to live in L.A.— one of the top 10 most expensive cities in the world! As well, please pray for her mother's health as she recuperates from a bout with cancer.
